The **Friends of the Community Foundation monthly giving program** helps fund the Centre Wellington Community Foundation's vital mission. Monthly donations support all aspects of CWCF's mission, including developing and maintaining donor relationships, asset management, grantmaking, identifying urgent community needs, and facilitating initiatives to address these needs – as well as activities associated with the governance, administration, and promotion of the Community Foundation.

It's so easy to become a Friend of the Community Foundation

As a Friend of the Community Foundation, you are saying you care about CWCF's important mission. Along with your fellow Friends, you wish to ensure the Community Foundation regularly receives the necessary support to respond to immediate community needs both now and long into the future.

When you opt to give monthly, you can choose the amount to donate and change the amount or stop your gift at any time. At the end of each year, you will receive a tax receipt for all your gifts. The Friends of the Community Foundation monthly giving program is designed to make giving convenient and affordable for you.

As a Friend of the Community Foundation, you can count on us to keep in touch with you. We will let you know about important developments and achievements of the Community Foundation. We will reach out to you by phone, and we welcome your feedback at any time. At year-end, we will share with you how your donations have helped the Foundation. You will also be the first to receive an invitation to our public events.
