

CWCF Project Grants: Frequently Asked Questions

1. What is the Centre Wellington Community Foundation?

The Centre Wellington Community Foundation (CWCF) is a public, charitable foundation created for and by the people of Centre Wellington. Our mission is to strengthen the Centre Wellington community by helping donors to achieve their giving goals, and by helping local Registered Charities and non-profit organizations partnering with registered Charities find resources to support their important work.

2. What are CWCF Project Grants?

CWCF Project Grants are aimed at providing grants (maximum of \$1,000) to registered charitable organizations in Centre Wellington to support their projects and to help them achieve their goals.

3. Who can apply for CWCF Project Grants?

Organizations within the Township of Centre Wellington or which projects all within Centre Wellington who are doing work to support the health, well-being, and sustainability of citizens and/or the environment can apply for a grant. All grant applicants must either be a registered charity or partner with another organization that is a registered charity. Another option for organizations that are not registered charities is to apply for a grant in collaboration with the Township of Centre Wellington. If you think your project might be a good fit, ***you must contact us first***, and we will discuss your idea and put you in touch with the contact person at the Township.

4. What kind of projects will you be willing to fund?

Grants for 2019 should support projects that better our community. CWCF produces its Centre Wellington Vital Signs report to identify potential areas to guide our funding decisions. Additional criteria regarding the types of projects that we fund and what we do not fund may be included in the grant application form.

5. When is the deadline?

The CWCF Project Grants application program opens on **March 1, 2019**.

The deadline for submitting applications is **April 1, 2019, 5:00 PM**.

6. When will we find out if our application was successful?

Decisions about the grants will be made in April 2019. All applicants will be contacted at that time. Public announcements about the grants will be made at our Annual Public Meeting May 1st, 2019 held at the County of Wellington Museum in Aboyne.

7. Will we have to report on how we used the funds?

Yes, as part of being accountable to our donors, we will require a short report (text, pictures, etc.) on how your organization used the grant and how the grant-supported your organization's goals. Details on reporting will be discussed with successful applicants.

8. If our application is successful, do we have to acknowledge the funding source on our project and project-related materials?

Yes, you can download an electronic version of our logo to use on your project and related materials. By raising awareness about the Foundation through the creative and meaningful projects supported by Project Grants, we can build a stronger foundation that can, in turn, help to build a stronger community. The guidelines and logo are covered under [Grant Recognition page](#) on our website which is located under "Granting."
