

Two granting programs open October 1, 2021

September 28, 2021 - Centre Wellington, ON – For Immediate Release

The Centre Wellington Community Foundation announces two grant programs which open on October 1, 2021, and will close on November 1, 2021, @ 5:00 PM.

The CW COVID-19 Community Response Fund granting program supports the urgent ongoing needs of our community caused by COVID-19. "This Fund is a rapid response fund, pooling community donations big and small," said Randall Howard, CWCF Chair.

The Jack R. MacDonald Community Fund will offer grants that support initiatives in the former Village of Elora. The six themes from the CWCF's 2019 Vital Signs report will help guide the funding decisions. "This fund honours and continues Jack R. MacDonald's legacy of giving to support the needs of Elora said Raymond Soucy," CWCF Executive director.

CWCF has granted \$182,929 to support 42 projects since the Pandemic began. These two grant programs starting on October 1, 2021, continue our community support efforts.

Complete details will be available on our website (www.cwcfoundation.ca) starting October 1, 2021.
